***This user page may meet Wikipedia's criteria for speedy deletion* for the following reasons:**

- **as a user page, subpage, or talk page of a user that does not exist (check (https://en.wikipedia.org/w/index.php?title=Special:Listusers&username=Geir_Drummer_Scheide&limit=1)).** *This excludes userpages for anonymous users who have edited, redirects from misspellings of an established user's userpage, and the previous name of a renamed user*. **See CSD U2.**
- **because in its current form it serves only to promote or publicise an entity, person, product, or idea, and would require a fundamental rewrite in order to become encyclopedic.** *However, the mere fact that a company, organization, or product is a page's subject does not, on its own, qualify that page for deletion under this criterion. This criterion also does not apply where substantial encyclopedic content would remain after removing the promotional material as deletion is not cleanup; in this case please remove the promotional material yourself, or add the {{advert}} tag to alert others to do so*. **See CSD G11.**

The page may be deleted under any criterion that is valid.

If this user page does not meet the criteria for speedy deletion, or you intend to fix it, please remove this notice, but **do not remove this notice from pages that you have created yourself**. If you created this page and you disagree with the given reason for deletion, you can click the button below and leave a message explaining why you believe it should not be deleted. You can also visit the talk page to check if you have received a response to your message.

Note that this user page may be deleted at any time if it unquestionably meets the speedy deletion criteria, or if an explanation posted to the talk page is found to be insufficient.
